GENERAL INSTRUCTIONS

1. This Statement with Regard to Proposed Plan of Exchange (the “Statement”) shall be used by parties who desire to form a bank holding company pursuant to Indiana Code 28-1-7.5. Three manually signed copies of the Statement, including all exhibits, financial statements, and all other documents desired to be filed as a part thereof, shall be filed with the Department.
2. Any information required to be furnished under any section of the Statement may be incorporated from the preliminary proxy or information statement submitted as a part thereof by reference to the specific item in the preliminary proxy or information statement, provided an express statement that the specified matter is incorporated by reference is made at the particular place in the Statement where the information is required.
3. Indiana Code 28-1-7.5-4 (a) (7) requires a preliminary proxy or information statement to be attached to this Statement that sets forth all material facts relating to the Holding Company and the proposed Plan of Exchange. The determination of what are “material facts” must be made by the parties filing this Statement. The following statement shall appear in capital letters on the face page of the proxy or information statement: THE INDIANA DEPARTMENT OF FINANCIAL INSTITUTIONS HAS NOT PASSED UPON THE ACCURACY OR ADEQUACY OF THE INFORMATION CONTAINED IN THIS PROXY OR INFORMATION STATEMENT.

The parties should keep in mind that the Plan of Exchange contemplates an offering of securities that is subject to the general anti-fraud provisions of the state and federal securities laws. Under the anti-fraud provisions, a particular fact generally is considered material if there is a substantial likelihood that a reasonable shareholder would consider that fact of significance in determining how to vote on the proposed Plan of Exchange.

Although the Department has not promulgated specific proxy rules, in most cases this standard at a minimum contemplates the disclosure of the following types of information in the proxy or information statement:

- (1) A description of the Plan;
- (2) A discussion of the tax consequences of the Plan;
- (3) A discussion of dissenters' rights
- (4) A discussion of the reasons for the adoption of the Plan;
- (5) A discussion of the increased corporate powers of the Holding Company as compared to the Institution, including the power to maintain authorized but unissued shares for the future issuance without shareholder approval; to borrow funds at the Holding Company level to increase the capital of the institution; to repurchase outstanding shares of its stock; and to engage in nonbanking activities.
- (6) A discussion of any plans of the Holding Company to utilize its corporate powers described in item 5 above;
- (7) A comparison of the Institution stock and the Holding Company stock;
- (8) A table showing the existing capitalization of the Institution and the pro forma capitalization of the Holding Company after giving effect to the transactions contemplated by the Plan; and
- (9) A discussion of the applicability of the registration requirements of the Securities Act of 1933 and the Indiana Securities Law to resale's by the Institution shareholders of the Holding Company stock to be issued to them.

The Department generally will not object if the proxy or information statement does not include financial statements of the Institution if (a) the Institution mailed an annual report containing financial statements for its last two years to the its shareholders in connection with its last annual meeting, and (b) the Institution mails a copy of its most recent published statement of condition to all

shareholders together with the proxy or information statement. If the Institution has not previously mailed annual financial statements to its shareholders, then financial information may be required by the Department to be included in the proxy or information statement on a case by case basis.

4. If any material change occurs in the facts set forth in the Statement as filed with the Department, an amendment setting forth the change, together with copies of all documents and other material relevant to the change, shall be filed with the Department within five (5) business days after the parties learn of the change.
5. After the Plan of Exchange has been approved by the shareholders of the Institution and, if required, by the shareholders of the Holding Company, the Institution shall prepare Articles of Exchange in accordance with IC 28-1-7.5-9.
